

Prince's is looking for young, energetic talents to join our Traineeship Program for Local Operation Supervisor!

Salary:
\$2,000-\$3,000
+ Incentives

The **Local Operation Supervisor Traineeship Program** is a career progress initiative to motivate young talents to become a highly knowledgeable and productive Operations Supervisor within the organisation. Achieved through the means of:

- On-The-Job Training, and
- Mentorship by fellow Operation Supervisor under ISC (Internal Sub-Contractor) Program

Objectives of Program

- To take on independent projects.
- Be sufficiently exposed to all aspects of managing a variety of projects.
- Upon completion of the program, the company may apply an ISC program to encourage attractive salary peg against performance.

PRE-REQUISITES

- Singaporeans or Permanent Residents
- Prefer ITE Horticulture graduate
- Complete NS
- Dynamic individual with a keen interest to learn
- Must have a driving licence prior to the appointment as ISC

From Operation Assistant to Operation Supervisor!

We match our Operation Supervisor according to their **strengths** to specific career directions and work on **providing the necessary nurture and support** to overcome weaknesses. This will be achieved through the **involvement of a variety of projects** and work-sites, facilitated through **on-site attachments**.

Earn a **Work Learn Technical Diploma** after the Traineeship Program.
