

BUTTERFLY GARDEN

Butterflies are some of the **most beautiful and interesting creatures** on Earth. By planting a butterfly garden with all of the **right kinds of plants** and flowers that butterflies love to feed on and lay eggs on, you will certainly have a **yard full of butterflies** throughout the growing season.

DO'S:

- Do stay on the path and watch your step — butterflies may be on the path with you!
- Do have a great time and enjoy learning about butterflies!
- Do take your time. Butterfly spotting takes patience!

DONT'S:

- Don't squish caterpillars thinking they are pests.
- Please don't pick up any caterpillars or butterflies from the plants.
- Don't pick any flowers from the garden. The flowers are food for the butterflies.
