

CHRISTMAS COLLECTION 2022

Prince's ® SINCE 1995
LANDSCAPE PTE LTD

Who we are

With **50 years experience**, Prince's Landscape Pte Ltd is a full-fledge Landscape Design & Installation Company with services such as **Landscaping, Landscape Maintenance, Plant Display and Plant Rental**. We have been beautifying **residential, industrial and commercial buildings**, thereby contributing to Singapore being a Garden City.

Prince's Landscape Pte Ltd comprises a strong headcount of **more than 400 professionals, horticulturists, designers, florists and support staff**, who operates **2 of our own nurseries and 50+ support vehicles**.

Our dedicated and qualified team undergoes a rigorous training and development program which gives rise to excellent product and service delivery to our customers.

Our global connection to the world ensures that Prince's meet the international needs of our customers. **Strategic alliances with China, India, Holland, Australia, New Zealand, and Southeast Asia, etc**, have been a boon to our service-oriented culture.

At Prince's, we are also an assertive **participant in Corporate Social Responsibility**. We believe and engage in environmental conservation and are an **active institution for people with disabilities, reformed and older workforce**. We firmly believe in receiving from and giving back to society.

Why choose us

WE ARE SPECIALISTS IN OUR FIELD

All members of our team are equipped with the expertise, skill and the commitment it takes to complete each project feature.

WE AIM TO PERFORM TO THE HIGHEST STANDARDS

The quality of materials we use matches the quality of our workmanship.

WE TAKE PRIDE IN OUR BUSINESS APPROACH

We feel invested in and committed to our work, and we understand that the work we do will have a powerful impact on the lives of our clients.

Prince's Collection 2022

The 2022 collection is inspired by the 12 colors associated with Christmas. This Christmas, Prince will be introducing four themes to choose from that are specially designed for clients looking to bring the festive atmosphere into their space.

Option 1: Classic Poinsettia

Option 2: The Magical

Option 3: D'cemilio

Option 4: Prince X APSN

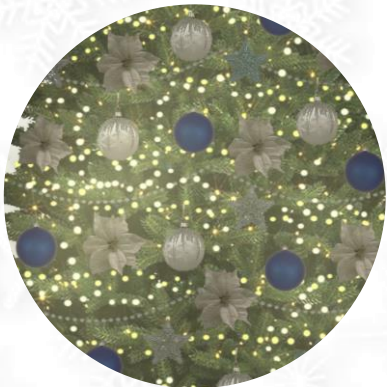

Option 1: Classic Poinsettia

Flowers such as roses and poinsettias have always been a traditional piece of decorative element on a Christmas tree. As such, the first theme presented is a traditional Red and Gold combination that embraces the tree with warmth and happiness.

Option 2: The Magical

Decorated with an ombre effect coming from the silver to blue ornaments, this theme is a fusion of traditional and modern elements that adds a exquisite touch to the season.

Option 3: D'cimelio

Inspired by the blue hour sky, where the sun is at a certain depth below the horizon, this theme portrays a deep blue hue with a touch of saturated colours.

Prince X APSN

The 2nd year of a meaningful collaboration.

Christmas is a season of love, peace, joy, warmth, and laughter.

The colors used in this theme are rustic, woody, and warm with gold and burgundy elements. In this tree, Prince's incorporated teddy bears to show some love for our collaboration with APSN. Gifting a teddy bear is one of the most common ways to showcase your affection and express love towards the person you love, whether it's a kid or your significant other. When we see teddy bears, we think of warmth, comfort, compassion, and love.

This is a very special tree to Prince because the ornaments are colored by the students of APSN themselves and we are grateful for their participation.

In addition to this meaningful collaboration, 10% of the sale proceeds for this design will go to APSN.

Option 4: Prince X APSN

A collaboration with the APSN. This theme is specially designed to feel comforting and homely with the bears and individually coloured wooden ornaments.

Design shown is based on 75% coverage and for illustration purpose only.
Gift Boxes are not included and can be purchased separately.

Partnership with APSN

Established in 1976, APSN (Association for Persons with Special Needs) is a social service agency that provides special education for our community with mild intellectual disability (IQ 50 - 70). Benefiting over 1,200 beneficiaries each year, APSN currently operates four Special Education (SPED) Schools (APSN Chaoyang School, APSN Katong School, APSN Tanglin School and APSN Delta Senior School) for students between the ages of 7 and 21, an APSN Student Care Centre for children from 7 to 18 years old and an APSN Centre for Adults for persons from 18 years old and older.

The APSN Schools and Centres adopt a holistic approach in its curriculum, comprising academic, vocational and social skills, which are important for open employment and lifelong learning. APSN seeks to enable persons with special needs to be active contributors of the society and is committed to inspire and build capabilities of its partners and community to lead and advocate an inclusive society.

Prince's has started its collaboration with several social enterprise organization such as Delta Senior School since 2007, where we have provided opportunities and upgrades in various aspects such as Horticultural and Administrative training. We have put up a Horticulture Training Program for students from Delta Senior School, took part in the Job Re-design Project wherein we continuously develop a program for Effective Strategies in Teaching PWDs, and created an active mentorship program where we provide Excellent Employee Awards to productive students.
